### **3. Topics of Interest/Future Learning**

Fair Housing – Land Use and Zoning (needed policy reforms) - FCPS & Park Authority Linkage

Faith Community Linkage – Northern Virginia Community College Linkage – Scope of AHAC issues

Connection to federal transportation resources and infrastructure legislation - Housing waiting lists (how and when advertised) - DR. Woolf's sharing his intersectionality expertise – Density Policy – Service support for residents – Fair Housing- New Development and Zoning Policies

### **4. Knowledge Sharing /Mentoring – Positive Responses-**

Overall positive responses - Greater structure needed to onboard new members – Annual member survey to assess individual and collective output and commitment towards achieving our vision – Pairing and Sharing

### **5. Comments/Ideas for Improvement**

Educate Community about economic importance of housing our hourly-wage earners within our community

Monthly communications to the BOS – Post AHAC official communications online - ensure external experts are welcomed to participate in workgroups -Linkage to Economic Self-Sufficiency – Ensure Connections to AHAC Work Plan – Leverage our connection to immigrant communities and allied groups – AHAC focus areas: 1) Funding needed to grow the housing pipeline and 2) Regulatory changes to reduce cost and shorten timeframe for production – Importance of a Strategic Communications Plan
