

## TREES, SHRUBS AND VINES OF HUNTLEY MEADOWS PARK

Huntley Meadows Park contains over 1,400 acres of diverse habitat including meadows, wetlands and forests.

This checklist is based on the observations of both paid and volunteer staff. Special thanks to Karen Goodlatte and Janet Meisenhelder.

- Alder, Smooth----*Alnus serrulata* (Birch family)
- Apple, Domestic----*Pyrus malus* (Rose family)
- Arrowwood--*Viburnum dentatum* (Honeysuckle family)
- Ash, White---*Fraxinus americana* (Olive family)
- Aspen, Bigtooth----*Populus grandidentata* (Willow family)
- Azalea, Pink----*Rhododendron nudiflorum* (Heath family)
- Azalea, Swamp---*Rhododendron viscosum* (Heath family)
- Barberry, Japanese----*Berberis thunbergii* (Barberry family)
- Beech----*Fagus grandifolia* (Beech family)
- Birch, Gray----*Betula populifolia* (Birch family)
- Birch, River---*Betula nigra* (Birch family)
- Bittersweet, Oriental----*Celastrus orbiculatus* (Staff Tree family)
- Black Gum(Tupelo)---*Nyssa sylvatica* (Sour Gum family)
- Black-haw, Smooth----*Viburnum prunifolium* (Honeysuckle family)
- Blackberry----*Rubus sp.* (Rose family)
- Blackberry, Cut-leaved---*Rubus laciniatus* (Rose family)
- Blueberry, Black Highbush----*Vaccinium atrococcum* (heath family)
- Blueberry, Early Low----*Vaccinium vacillans* (Heath family)

- Blueberry, Highbush----*Vaccinium corymbosum* (Heath family)
- Box Elder (Ashleaf Maple)-----*Acer negunda* (Maple family)
- Buttonbush----*Cephalanthus occidentalis* (Madder family)
- Cedar, Red----*Juniperus virginiana* (Pine family)
- Cherry, Black----*Prunus serotina* (Rose family)
- Cherry, Choke----*Prunus virginiana* (Rose family)
- Chokeberry, Purple---*Pyrus floribunda* (Rose family)
- Chokeberry, Red----*Pyrus, arbutifolia* (Rose family)
- Dangleberry----*Gaylussacia frondosa* (Heath family)
- Deerberry---*Vaccinium stamineum* (Heath family)
- Dewberry, Prickly---*Rubus flagellaris* (Rose family)
- Dogwood, Flowering---*Cornus florida* (Dogwood family)
- Dogwood, Swamp (Silky Cornel)---*Cornus amomum* (Dogwood family)
- Elderberry----*Sambucus canadensis* (Honeysuckle family)
- Elm, American---*Ulmus americana* (Elm family)
- Elm, Slippery----*Ulmus rubra* (Elm family)
- Fringe Tree---*Chionanthus virginicus* (Olive family)
- Grape, Fox---*Vitis labrusca* (Grape family)
- Grape, Riverbank---*Vitis riparia* (Grape family)
- Grape, Silverleaf---*Vitis aestivalis var. argentifolia* (Grape family)
- Grape, Summer---*Vitis aestivalis* (Grape family)
- Greenbrier (Catbrier)---*Smilax rotundifolia* (Lily family)
- Greenbrier, Bristly----*Smilax hispida* (Lily family)
- Groundsel-tree----*Baccharis halimifolia* (Composite family)
- Hazelnut, American---*Corylus americana* (Birch family)
- Hercules Club---*Aralia spinosa* (Ginseng family)
- Hickory, Bitternut----*Carya cordiformis* (Walnut family)
- Hickory, Mockernut---*Carya tomentosa* (Walnut family)
- Hickory, Pignut----*Carya glabra* (Walnut family)

- Hickory, Sweet Pignut----*Carya ovalis* (Walnut family)
- Holly, American----*Ilex opaca* (Holly family)
- Honeysuckle, Bella----*Lonicera bella* (Honeysuckle family)
- Honeysuckle, Japanese----*Lonicera japonica* (Honeysuckle family)
- Honeysuckle, Morrow----*Lonicera Morrowii* (Honeysuckle family)
- Huckleberry, Black----*Gaylussacia baccata* (Heath family)
- Ironwood (American Hornbeam)----*Carpinus caroliniana* (Birch family)
- Juneberry (Shadbush, Serviceberry)----*Almelanchier arborea* (Rose family)
- Lilac---*Syringa vulgaris* (Olive family)
- Locust, Black----*Robinia pseudo-acacia* (Legume family)
- Maleberry----*Lyonia ligustrina* (Heath family)
- Maple, Red----*Acer rubrum* (Maple family)
- Maple, Silver----*Acer saccharinum* (Maple family)
- Mimosa----*Albizia julibrissin* (Legume family)
- Oak, Black----*Quercus velutina* (Beech family)
- Oak, Black Jack----*Quercus marilandica* (Beech family)
- Oak, Northern Red----*Quercus rubra* (Beech family)
- Oak, Pin----*Quercus palustris* (Beech family)
- Oak, Post----*Quercus stellata* (Beech family)
- Oak, Scarlet----*Quercus coccinea* (Beech family)
- Oak, Southern Red----*Quercus falcata* (Beech family)
- Oak, Swamp Chestnut (Basket oak)----*Quercus michauxii* (Beech family)
- Oak, Swamp White----*Quercus bicolor* (Beech family)
- Oak, White----*Quercus alba* (Beech family)
- Oak, Willow----*Quercus phellos* (Beech family)
- Osage Orange----*Maclura pomifera* (Mulberry family)
- Pawpaw----*Asimina triloba* (Custard-apple family)
- Pear----*Pyrus communis* (Rose family)
- Persimmon----*Diospyros virginiana* (Ebony family)
- Pine, Scrub (Virginia Pine)----*Pinus virginiana* (Pine family)
- Pine, Short-leaf----*Pinus achinata* (Pine family)

- \_\_ Poison Ivy----*Rhus radicans* (Cashew family)
- \_\_ Princess Tree-----*Paulownia tomentosa* (Bignonia family)
- \_\_ Redbud----*Cercis canadensis* (Legume family)
- \_\_ Rose, Multiflora-----*Rosa multiflora* (Rose family)
- \_\_ Rose, Pasture-----*Rosa carolina* (Rose family)
- \_\_ Rose, Swamp----*Rosa palustris* ( Rose family)
- \_\_ Rose, Virginia-----*Rosa virginiana* (Rose family)
- \_\_ Russian Olive (American Silverberry)-----*Elaeagnus angustifolia* (Oleaster family)
- \_\_ Sassafras-----*Sassafras albidum* (Laurel family)
- \_\_ Spicebush-----*Lindera benzoin* (Laurel family)
- \_\_ St. Andrew's Cross----*Ascyrum hypericoides* (St. John's-wort family)
- \_\_ Strawberry Bush----*Euonymus americanus* (Staff Tree family)
- \_\_ Sumac, Smooth----*Rhus glabra* (Cashew family)
- \_\_ Sumac, Winged----*Rhus copallina* (Cashew family)
- \_\_ Sweetbells, Swamp (Fetterbush)----*Leucothoe racemosa* (Heath family)
- \_\_ Sweetgum----*Liquidambar styraciflua* (Witch-hazel family)
- \_\_ Sycamore-----*Platanus occidentalis* (Plane-tree family)
- \_\_ Tree of Heaven-----*Ailanthus altissima* (Quassia family)
- \_\_ Trumpet-creeper----*Campsis radicans* (Bignonia family)
- \_\_ Tulip-tree(Yellow Poplar)----*Liriodendron tulipifera* (Magnolia family)
- \_\_ Viburnum, Mapleleaf----*Viburnum acerifolia* (Honeysuckle family)
- \_\_ Virgin's-bower-----*Clematis virginiana* (Crowfoot family)
- \_\_ Virginia Creeper----*Parthenocissus quinquefolia* (Grape family)
- \_\_ Walnut, Black----*Juglans nigra* (Walnut family)
- \_\_ Willow, Black----*Salix nigra* (Willow family)
- \_\_ Wineberry----*rubus phoenicolasius* (Rose family)
- \_\_ Winterberry (Black Alder)\_\_\_\_*Ilex verticillata* (Holly family)
- \_\_ Witch-hazel-----*Hamamelis virginiana* (Witch-hazel family)
